THE GRAND CRU RANGE: 51 of the very best vineyards in the Alsace wine region have been classified "Grand Cru". They represent 6 percent of the area under vine in Alsace. Domaines Schlumberger have vines in four of these 51 classified Grand Cru vineyards and they only label a wine "Grand Cru" should it meet the "Grand Cru" criteria as well as their own very strict control, and the vines are at least 12 years old. Wine from the "Grand Cru" vineyards not labeled as such is used in the Les Princes Abbes range.
